IN SUNDAY SCHOOL FOR 55 YEARS

SERVICES FOR JUDGE IRA ALDERMAN YESTERDAY AT M. E. CHURCH

ONE OF THE ORGANIZERS

Resolutions of Appreciation Adopted—A Gold Headed Cane Given to Judge Alderman.

The Sunday School of the First M. E. Church yesterday morning had a service in honor of Judge Ira K. Alderman of this city who asked to be relieved of his duties as teacher of the old boys' class after serving in the Sunday School as superintendent and teacher for over fifty-five years. Judge Alderman is 81 years old. He was one of the organizers of the Sunday school of this church.

Resolutions of appreciation were read and adopted by the Sunday school. The resolutions were read by E. M. Houchens. A gold headed cane was presented to Judge Alderman by O. C. Hanna for the Sunday School.

Three babies were rocked into the Cradle Roll department at the service yesterday. They were: George William Roberts, son of Mr. and Mrs. L. H. Roberts; Ross Willard Atkinson, son of Mr. and Mrs. E. W. Atkinson; Letha Lucile Davis, daughter of Mr. and Mrs. J. C. Davis. These services were in charge of Mrs. Charles Gaugh, superintendent of the Cradle Roll department, assisted by Mrs. M. M. Curnutt.

The resolutions are:

Inasmuch as there is seldom such an opportunity as is now given the First Methodist Episcopal Sunday School of Maryville, to honor one of its members for length and value of services rendered; and inasmuch as we believe such honor and an expression of appreciation, should be given during the lifetime of the individual, rather than merely to heap flowers on the casket and speak eulogies over the bier.

"We desire therefore to call attention to the services rendered this Sunday School, by perhaps its oldest member, Judge Ira K. Alderman, who was one of its organizers and just now at the age of 81 years, is asking to be released as one of its teachers.

"During the 55 years of the Sunday School's life, Judge Alderman has been an energetic and an efficient worker. Whether as superintendent, which office he held alternately with another ardent Methodist, Wm. Anderson for the first ten or twelve years, or as a stanch supporter of his successors: L. M. Lane, John G. Honnold, John W. Airy, Wm. F. Smith, H. C. Bowers, A. H. Cooper, and C. C. Leeson, he has always been anxious to serve most faithfully. As teacher he has been zealous and careful, considering it a necessary thing, always to be present and on time. He has ever shown himself to be a believer in Jesus Christ, and a conscientious exponent of Christian teaching and example.

"We believe Judge Alderman's life exemplifies that scripture, "The heavy load is a crown of glory if it be found in the way of righteousness."

"Fifty-five years of earnest, active christian, service, is certainly commendable and deserves very great consideration by the Sunday School. And now, as Judge Alderman, on account of his advanced age and physical condition, is compelled to give up his Sunday School Class, and retire from active Sunday School work, therefore be it most affectionately resolved, that the First Methodist Church of Maryville most cordially thank Judge Ira K. Alderman, for his ernest, devotion christian life work of 55 years, spent in making the school what it is today, a mighty power for the unbuilding of God's Kingdom in Maryville.

"And be it further resolved, that as a memento of this occasion, and as a reminder of our regard for his life service with us, we present him this token (a cane) which we hope he will find of some value in the years he remains with us.

Committee, E. M. Houchens,
O. C. Hanna,
John W. Airy."

POLAND CHINA BREEDERS BANQUET

TO GIVE PRIZES FOR THE GROWING OF BEST BARROWS

SHOW AT FARM CONGRESS

Twelve Entries Made Already—Several in Attendance at Banquet At the Merchants Cafe

The members of the Nodaway County Poland-China Breeders Association decided definitely Saturday night at a banquet held at the Merchants Cafe to organize a class to compete in the growing of the best barrow. A resolution was passed at this time whereby the breeders agreed to sell barrows to the farmers at a dollar less than the St. Joseph market on June 1 if the barrows were to be entered in the contest. A gold watch valued at $50 will be offered by the Breeders Promotion Committee as the first prize for the contest and the breeders of Nodaway county wil raise $50 to be given as prizes to the second, third, fourth, fifth and sixth best barrows in the contest. The barrows will be shown in the farm congress which is planned for next fall and it is thought that a carload of barrows might be sent from Nodaway county to be entered in the International Stock Show in Chicago next December.

Ten entries were needed to assure the organization of the class. Twelve entries have been made already and the country will be well canvassed and it is expected that much interest will be shown in the contest.

Breeders of pure bred hogs will not be permitted to enter the contest, but nothing but pure bred stock will be shown.

H. S. CLASS HEARS THE REV. B. J. CLINE

LARGE AUDIENCE IS PLEASED WITH TALK.

NO OTHER SERVICES HELD

Speaker Compares Life to a Grain of Wheat—Must Be Planted to Bear Fruit.

The baccalaureate sermon preached by the Rev. B. F. Cline, pastor of the M. E. Church, South, at the First Christian Church at 8 o'clock last night to fifty-nine members of the graduating class was the first number of the commencement week program for the Maryville High School. Services were suspended at the other churches and the Rev. Cline directed a very pleasing talk to a large audience as well as to the class of '22. The particular challenge which the Rev. Mr. Cline threw out to the students was to store up in their lives high ideals, noble purposes, and learning so that they would be ready when the opportunity of life came.

Devotional services preceeded the sermon last night. Miss Ola Smith played the Organ Prelude, "Adagio." The processional, "Priest's March" was played by the organ and orchestra combined, and the singing was given by the union Choir accompanied by the organ and orchestra. Mrs. Arch Carter sang a solo, "The Lord is My Light." The Rev. S. P. Allison led the prayer services. The scripture was read by Dr. O. L. Curl and the benediction was given by the Rev. R. E. Snodgrass.

"The Planted Life" was the subject chosen by the Rev. Mr. Cline. His text was taken from John 12:24: "Truly, truly, I tell you, unless a grain of wheat falls into the earth and dies, it remains a single grain; but if it lives, it bears rich fruit."

The Rev. Mr. Cline compared ones life with that of a grain of wheat which must be planted before there is a harvest. The school, he gave as an instrument to plant the right ideals ambitions and aims into ones life. Another planting to which he referred was the planting of the students life. He mentioned J. Balcom Shaw who said that there were four things which could be done to a grain of wheat, it could be wasted, consumed, stored or planted.

It was with the thoughts of planting ones life that the Rev. Cline referred to Jesus and his temptations in the wilderness, where he was presented with the same four choices, self-destruction, self-gratification, self-reservation and self planting. Jesus chose to plant his life when he said "Get thee hence, Satan. I came not to be ministered unto but to minister." Since then his fruit has grown until he has spread over the whole universe.

The life of Solomon wis given as an example of a life which was not planted. When beginning his work as a king of Israel he chose wisdom and because of his selfish choice his life was filled with pessimism and fatalism.

The same four choices present themselves for decision today. A life of low aims and ideals is a life of self-destruction. A choice of a vocation which will extract from life rather than put into it is a choice of self-gratification. The fear of over-doing self is the life of self-reservation and the person who plants his life is the one who accepts Christ's challenge to take up the cross, day by day, and follow Him.

An appeal to the students to go higher in school work was made by refering to the fight made to make the world "Safe for Democracy." Our democracy, the Rev. Cline said, was a sacred institution and was safe only in the hands of Christian Intelligence.

ELMER YOUNG'S CAR WAS BURNED YESTERDAY

A New Car Was Destroyed—Extinguished Flames With Chemicals

People leaving Sunday school noticed the car burning and called the fire department who extinguished the flames with chemicals. The body and upholstering were burned off the car. It is thought that the fire started in the upholstering rather than from faulty wiring. The car was new, having been brought from Kansas City within the past week.

COURT IN SESSION TO LET CONTRACT FOR BRIDGE

Three Bids Received for Bridge to Be Built Two Miles North of Parnell

A special session of the county court was held this afternoon to let the contract for constructing a bridge across Platte drainage ditch about two miles north of Parnell. Three bids have been received but at press time no action had been taken on these bids.

The bridge to be constructed is on the main road between Parnell and Sheridan. At present a 36-foot span is across this ditch but it is practically useless and the first high waters will take it out.

The new bridge to be built will be a partnership bridge in that the drainage district will put $1,500 and the right of way which cost $200. The county share will be in the neighborhood of $2,500, it is estimated.

The court intends to go to Barnard soon to inspect a bridge to be constructed over the new drainage ditch there. A proposition has been made to the court by John A. Fields of Barnard to take the 102 river bridge west of Barnard and to put it over the new ditch and to put a new steel bridge across the old channel without any cost to the county. The proposition will probably be accepted.

SEINE CAPTIAN WAS CRITICIZED

FOR ACCIDENT WHEN SEINE RAN INTO BRITISH BOAT, EGYPT

98 WENT DOWN WITH SHIP

Twenty Two Bodies Have So Far Been Recovered—Inquest Being Held Today

Brest, France, May 22.—Captain Lebarzic, commander of the freighter, Seine, which sank the British liner, Egypt, Saturday night with a loss of ninety-eight lives, was severely criticized at the opening inquest for reversing of engines at the opening hole in Egypt's hull to waters. The usual seamanship is to keep full speed ahead, keeping the breach closed. Lebarzic declared he couldn't do anything but reverse. The Egypt floated fifteen to twenty minutes after the crash.

Robert Bevan, 61 years old, of Baltimore, who was rescued, declared a panic broke out among the Egypt's seamen, mostly Lascars. He jumped into the sea with a life belt. He believed two American missionaries were aboard.

Two hundred and thirty survivors landed here. Twenty-two bodies have so far been recovered.

The Egypt sailed from London for Bombay Friday with 44 passengers and a crew of 290.

The collision occurred during a dense fog within twenty-two miles of the Armen lighthouse. The dinner gong was about to be sounded on board the Egypt. Many of the passengers and most of the crew were on deck. The shock threw several persons into the sea, others jumped and a number went down with the ship, which sank in twenty minutes. The Egypt was rammed amidship on the port side.

London, May 22—Million pounds of specie were lost with the liner Egypt according to the newspaper, the Standard, this afternoon.

Lowry's Letter

Everybody is smiling because it rained.

We had a big business on CHAMPION MOWERS Saturday and now it has rained to make more hay.

You know what to do when we need rain.

That big carload of two row listed corn cultivators came in last week and have been going out rapidly. Geo. Jones was in from Burlington Junction, Saturday and after looking one of them all over he declared it was the best lie ever saw, and for only $50.00.

Some folks are bushin' up their horse collars now with new pads. That's some comfort for the horse.

O. L. Job came in bright and early this morning after a Samson riding cultivator.

Lots of sudan grass has been sown and a heap more should be sown. We have cane and kaffir seed, too.

Now is a good time to paint things up in the house and outside, too. Nothing better than SEWALL'S COL-O-VAR for making the old furniture look new.

New screens on the windows and doors will keep the pesky flies off the baby's nose.

Another shipment of croquet sets are at your service.

WOODARD MURDER CASE NEXT MONDAY

WOMAN CHARGED WITH MURDERING HER HUSBAND TO TRIAL

A VENIRE OF 50 MEN

It Is Said Self Defense Will be Her Plea—Murder Took Place on Evening of February 8

The murder case of Mrs. Bessie Maud Woodard will be tried in circuit court here commencing next Monday with Judge John M. Dawson on the bench. Mrs. Woodard is charged with murdering her husband, Shubael Woodard, on the evening of February 8. The charge is first degree murder. Mrs. Woodard has been out of jail on a $20,000 bail.

A special venire of fifty has been summoned by Sheriff Steve Roach to be here Monday. Out of these fifty a jury of twelve will be selected.

Prosecuting Attorney Charles McCaffrey will be assisted in the prosecution of the case by W. A. Blagg and George Robb Ellison. Cook & Cummins will represent Mrs. Woodard. It is thought the defense will make a plea of self-defense.

Woodard was shot on the evening of February 8 at his home on East Fourth street. He died about one hour later at the St. Francis hospital without making a statement. A revolver thought to have been Woodard's was picked up on the outside of the house after he had been taken to the hospital.

At the time of the shooting, a divorce suit was pending in the circuit court here. It was filed by Mrs. Woodard and alleged many grounds for the divorce. It was said the couple had been living together for a time before the shooting.

IN SUNDAY SCHOOL FOR 55 YEARS

SERVICES FOR JUDGE IRA ALDERMAN YESTERDAY AT M. E. CHURCH

ONE OF THE ORGANIZERS

Resolutions of Appreciation Adopted—A Gold Headed Cane Given to Judge Alderman.

The Sunday School of the First M. E. Church yesterday morning had a service in honor of Judge Ira K. Alderman of this city who asked to be relieved of his duties as teacher of the old boys' class after serving in the Sunday School as superintendent and teacher for over fifty-five years. Judge Alderman is 81 years old. He was one of the organizers of the Sunday school of this church.

Resolutions of appreciation were read and adopted by the Sunday school. The resolutions were read by E. M. Houchens. A gold headed cane was presented to Judge Alderman by O. C. Hanna for the Sunday School.

Three babies were rocked into the Cradle Roll department at the service yesterday. They were: George William Roberts, son of Mr. and Mrs. L. H. Roberts; Ross Willard Atkinson, son of Mr. and Mrs. E. W. Atkinson; Letha Lucile Davis, daughter of Mr. and Mrs. J. C. Davis. These services were in charge of Mrs. Charles Gaugh, superintendent of the Cradle Roll department, assisted by Mrs. M. M. Curnutt.

The resolutions are:

Inasmuch as there is seldom such an opportunity as is now given the First Methodist Episcopal Sunday School of Maryville, to honor one of its members for length and value of services rendered; and inasmuch as we believe such honor and an expression of appreciation, should be given during the lifetime of the individual, rather than merely to heap flowers on the casket and speak eulogies over the bier,

"We desire therefore to call attention to the services rendered this Sunday School, by perhaps its oldest member, Judge Ira K. Alderman, who was one of its organizers and just now at the age of 81 years, is asking to be released as one of its teachers.

"During the 55 years of the Sunday School's life, Judge Alderman has been an energetic and an efficient worker. Whether as superintendent, which office he held alternately with another ardent Methodist, Wm. Anderson for the first ten or twelve years, or as a stanch supporter of his successors: L. M. Lane, John G. Honnold, John W. Airy, Wm. F. Smith, H. C. Bowers, A. H. Cooper, and C. C. Leeson, he has always been anxious to serve most faithfully. As teacher he has been zealous and careful, considering it a necessary thing, always to be present and on time. He has ever shown himself to be a believer in Jesus Christ, and a conscientious exponent of Christian teaching and example.

"We believe Judge Alderman's life exemplifies that scripture, "The heavy load is a crown of glory if it be found in the way of righteousness."

"Fifty-five years of earnest, active christian, service, is certainly commendable and deserves very great consideration by the Sunday School. And now, as Judge Alderman, on account of his advanced age and physical condition, is compelled to give up his Sunday School Class, and retire from active Sunday School work, therefore be it most affectionately resolved, that the First Methodist Church of Maryville most cordially thank Judge Ira K. Alderman, for his ernest, devotion christian life work of 55 years, spent in making the school what it is today, a mighty power for the unbuilding of God's Kingdom in Maryville.

"And be it further resolved, that as a memento of this occasion, and as a reminder of our regard for his life service with us, we present him this token (a cane) which we hope he will find of some value in the years he remains with us.

Committee, E. M. Houchens,
O. C. Hanna,
John W. Airy."

CLASH IN SENATE BETWEEN PHIPPS AND WATSON

Pacifiers intervened and lead Phipps away while Watson invited him outside the building.

POLAND CHINA BREEDERS BANQUET

TO GIVE PRIZES FOR THE GROWING OF BEST BARROWS

SHOW AT FARM CONGRESS

Twelve Entries Made Already—Several in Attendance at Banquet At the Merchants Cafe

The members of the Nodaway County Poland-China Breeders Association decided definitely Saturday night at a banquet held at the Merchants Cafe to organize a class to compete in the growing of the best barrow. A resolution was passed at this time whereby the breeders agreed to sell barrows to the farmers at a dollar less than the St. Joseph market on June 1 if the barrows were to be entered in the contest. A gold watch valued at $50 will be offered by the Breeders Promotion Committee as the first prize for the contest and the breeders of Nodaway county wil raise $50 to be given as prizes to the second, third, fourth, fifth and sixth best barrows in the contest. The barrows will be shown in the farm congress which is planned for next fall and it is thought that a carload of barrows might be sent from Nodaway county to be entered in the International Stock Show in Chicago next December.

Ten entries were needed to assure the organization of the class. Twelve entries have been made already and the country will be well canvassed and it is expected that much interest will be shown in the contest.

Breeders of pure bred hogs will not be permitted to enter the contest, but nothing but pure bred stock will be shown.

Talks were made Saturday night by W. O. Bowers, Conway, Ia., H. C. Catlett, Columbia, Mo., W. O. Garrett, A. L. Auer, F. L. Garrett, R. A. Kinnaird and Judge Henry Moore.

H. S. CLASS HEARS THE REV. B. J. CLINE

LARGE AUDIENCE IS PLEASED WITH TALK.

NO OTHER SERVICES HELD

Speaker Compares Life to a Grain of Wheat—Must Be Planted to Bear Fruit.

The baccalaureate sermon preached by the Rev. B. F. Cline, pastor of the M. E. Church, South, at the First Christian Church at 8 o'clock last night to fifty-nine members of the graduating class was the first number of the commencement week program for the Maryville High School. Services were suspended at the other churches and the Rev. Cline directed a very pleasing talk to a large audience as well as to the class of '22. The particular challenge which the Rev. Mr. Cline threw out to the students was to store up in their lives high ideals, noble purposes, and learning so that they would be ready when the opportunity of life came.

Devotional services preceeded the sermon last night. Miss Ola Smith played the Organ Prelude, "Adagio." The processional, "Priest's March" was played by the organ and orchestra combined, and the singing was given by the union Choir accompanied by the organ and orchestra. Mrs. Arch Carter sang a solo, "The Lord is My Light." The Rev. S. P. Allison led the prayer services. The scripture was read by Dr. O. L. Curl and the benediction was given by the Rev. R. E. Snodgrass.

"The Planted Life" was the subject chosen by the Rev. Mr. Cline. His text was taken from John 12:24: "Truly, truly, I tell you, unless a grain of wheat falls into the earth and dies, it remains a single grain; but if it lives, it bears rich fruit."

The Rev. Mr. Cline compared ones life with that of a grain of wheat which must be planted before there is a harvest. The school, he gave as an instrument to plant the right ideals ambitions and aims into ones life. Another planting to which he referred was the planting of the students life. He mentioned J. Balcom Shaw who said that there were four things which could be done to a grain of wheat, it could be wasted, consumed, stored or planted.

It was with the thoughts of planting ones life that the Rev. Cline referred to Jesus and his temptations in the wilderness, where he was presented with the same four choices, self-destruction, self-gratification, self-reservation and self planting. Jesus chose to plant his life when he said "Get thee hence, Satan. I came not to be ministered unto but to minister." Since then his fruit has grown until he has spread over the whole universe.

The life of Solomon wis given as an example of a life which was not planted. When beginning his work as a king of Israel he chose wisdom and because of his selfish choice his life was filled with pessimism and fatalism.

The same four choices present themselves for decision today. A life of low aims and ideals is a life of self-destruction. A choice of a vocation which will extract from life rather than put into it is a choice of self-gratification. The fear of over-doing self is the life of self-reservation and the person who plants his life is the one who accepts Christ's challenge to take up the cross, day by day, and follow Him.

An appeal to the students to go higher in school work was made by refering to the fight made to make the world "Safe for Democracy." Our democracy, the Rev. Cline said, was a sacred institution and was safe only in the hands of Christian Intelligence.

ELMER YOUNG'S CAR WAS BURNED YESTERDAY

A New Car Was Destroyed—Extinguished Flames With Chemicals

A car belonging to Elmer Young of near Bedison burned on North Buchanan street near the Conservatory of Music yesterday morning about 11 o'clock. People leaving Sunday school noticed the car burning and called the fire department who extinguished the flames with chemicals. The body and upholstering were burned off the car. It is thought that the fire started in the upholstering rather than from faulty wiring. The car was new, having been brought from Kansas City within the past week.

COURT IN SESSION TO LET CONTRACT FOR BRIDGE

Three Bids Received for Bridge to Be Built Two Miles North of Parnell

A special session of the county court was held this afternoon to let the contract for constructing a bridge across Platte drainage ditch about two miles north of Parnell. Three bids have been received but at press time no action had been taken on these bids.

The bridge to be constructed is on the main road between Parnell and Sheridan. At present a 36-foot span is across this ditch but it is practically useless and the first high waters will take it out.

The new bridge to be built will be a partnership bridge in that the drainage district will put $1,500 and the right of way which cost $200. The county share will be in the neighborhood of $2,500, it is estimated.

The court intends to go to Barnard soon to inspect a bridge to be constructed over the new drainage ditch there. A proposition has been made to the court by John A. Fields of Barnard to take the 102 river bridge west of Barnard and to put it over the new ditch and to put a new steel bridge across the old channel without any cost to the county. The proposition will probably be accepted.

SEINE CAPTIAN WAS CRITICIZED

FOR ACCIDENT WHEN SEINE RAN INTO BRITISH BOAT, EGYPT

98 WENT DOWN WITH SHIP

Twenty Two Bodies Have So Far Been Recovered—Inquest Being Held Today

Brest, France, May 22.—Captain Lebarzic, commander of the freighter, Seine, which sank the British liner, Egypt, Saturday night with a loss of ninety-eight lives, was severely criticized at the opening inquest for reversing of engines at the opening hole in Egypt's hull to waters. The usual seamanship is to keep full speed ahead, keeping the breach closed. Lebarzic declared he couldn't do anything but reverse. The Egypt floated fifteen to twenty minutes after the crash.

Robert Bevan, 61 years old, of Baltimore, who was rescued, declared a panic broke out among the Egypt's seamen, mostly Lascars. He jumped into the sea with a life belt. He believed two American missionaries were aboard.

Two hundred and thirty survivors landed here. Twenty-two bodies have so far been recovered.

The Egypt sailed from London for Bombay Friday with 44 passengers and a crew of 290.

The collision occurred during a dense fog within twenty-two miles of the Armen lighthouse. The dinner gong was about to be sounded on board the Egypt. Many of the passengers and most of the crew were on deck. The shock threw several persons into the sea, others jumped and a number went down with the ship, which sank in twenty minutes. The Egypt was rammed amidship on the port side.

London, May 22—Million pounds of specie were lost with the liner Egypt according to the newspaper, the Standard, this afternoon.

Lowry's Letter

Everybody is smiling because it rained.

We had a big business on CHAMPION MOWERS Saturday and now it has rained to make more hay.

You know what to do when we need rain.

That big carload of two row listed corn cultivators came in last week and have been going out rapidly. Geo Jones was in from Burlington Junction, Saturday and after looking one of them all over he declared it was the best he ever saw, and for only $50.00.

Some folks are bushin' up their horse collars now with new pads. That's some comfort for the horse.

O. L. Job came in bright and early this morning after a Samson riding cultivator.

Lots of sudan grass has been sown and a heap more should be sown. We have cane and kaffir seed, too.

Now is a good time to paint things up in the house and outside, too. Nothing better than SEWALL'S COL-O-VAR for making the old furniture look new.

New screens on the windows and doors will keep the pesky flies off the baby's nose.

Another shipment of croquet sets are at your service.
